

# Interlibrary Loan (ILL)

You can still request access to articles, books, and other items that the library does not own through a service called Interlibrary Loan (ILL).

## ***Creating an ILL account:***

1. To create an ILL account, visit the

## Requesting Materials through ILL: Part II

4. You can also request items through ILL directly from the Find It! catalog. If you are looking at the record of an item in the Find It Catalog that we do not have access to, you can request it by first clicking on the "Request" link in the "Request" section. Clicking on this link will take you directly to your ILL account (Note: you may need to log-
4. Once there, you may see a link that says "Request Item". If you see this, click on the link to sign-in with your PODS ID to request the item.
4. After you are signed-in, you will then see a link that says "Request Item". Clicking on this link will take you directly to your ILL account (Note: you may need to log-
